Busy Work beats - Audio Editing, Melody Making, Beat Making, Audioguides And More Hi, I'm Tune (from Producing). I've been a producer for nearly 5 years now, I've worked with 2,500+ songs and I've done song productions for over 50 artists. Aug 2, 2018 Hi, i'm tune from busy works. there are a ton of tutorials out there on making beats but i'm one of the few who knows

alot about music theory. in my tutos
i'll explain everything you need to
know about harmony, voicings,
melody, song structure, music
theory, arrangement, rythm, chords
and etc. would really appreciate any
feedback. Nov 15, 2017 hi! i'm
Zizzan, a registered producer on
Fruityloops. i also have two videos
on youtube! One on how to make
your own song and the other one
teaches you how to make beats.
thank you for your interest! Also my
name's based in Korea and i've been
learning English for the last 2 years.

Oct 11, 2017 I'm Zizzan. I'm

currently learning music production and theory and hope to go to university to study music production. I also have a tutorial video on how to make beats and am willing to help any more people that are interested.

Nov 17, 2017 Hi, I'm Zizzan. I just created a YouTube channel where I will be teaching people music theory. Also, I'm currently taking an online music production course (Tutorials on YouTube). I've been learning music theory for over three years now. It's been a great experience so far!

Jun 20, 2018 Hey guys, if you are looking for an online music

production course or a real production course then I would recommend to stick to YouTube, it would be more helpful than to go to college. More on this here: Oct 10, 2017 Best looking beat producer.

Haha can't believe I had to ask someone this question on vimeo. Haha but seriously wanna see what you guys make. My best is 6/10. At least for battle rap. Here's my beat. I use an acoustic 4/4 beat with some bass. I used a sintirium, woodblocks and a germanium. I love making beats
